

Literacy

You will be using some lovely stories to help you with mark making/early writing:

- Goldilocks
- The Tiger Who Came to Tea
- We're Going On A Bear Hunt
- The Little Red Hen
- Harvest Festival (Non Fiction)

Maths

As a school, we follow White Rose Maths and NCTEM. You will be learning all about the following:

- Numbers 1,2,3,4,5 and how they are represented and how they are made!
- Matching and sorting
- Shape, in relation to the numbers 1,3,4,5
- Comparing quantities

PSHE

Starting school is a big change in your life! You will be given the opportunity to talk about your differences and what makes you special. There will be plenty of activities where you can meet new friends and celebrate what makes you all unique! As I tell all of the children that I teach: "If we were all the same, it would be a very boring world!"

RE

Why is the word **God** special to Christians?

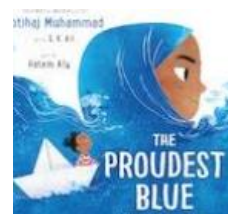

Mrs Musson will be teaching RE every Friday afternoon. She has lots of lovely activities planned! You will be learning about the Creation Story and thinking about all of the wonderful and amazing things that we see in our world around us.

Science

You will be learning all about your body and all of the wonderful things that it is capable of! You will be also learning about your five senses. How exciting!

History

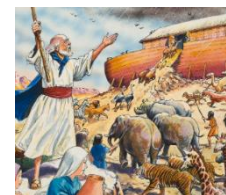

How does your body change and grow as you get older? You will be learning what a time line is and how it shows the stages of growth. You will talking about your childhood and the childhood of your parents/grandparents. Were they similar or different?

Autumn 1
2025-2026
Year R

Me And
My World

PE

You will be having a PE lesson every Monday morning! This half term, the focus will be about learning the basics of physical movement through a range of fun and exciting games. It will be a fab way to make new friends!

Phonics

You will be using Sounds Write to help you with your writing and reading. You will be building words by using the following sounds:

m a t s i p n o b c

You will also be learning to read and write these tricky words:

is, a, said, the, I

Parents and Carers

In the first few weeks of school, we will be listening to your child read individually. They will then be given a reading book which is closely matched to our phonics teaching. All children embed sounds at different rates, and therefore the children will move through the levelled books at different rates.

**FREE SOUNDS WRITE ONLINE
COURSE FOR PARENTS AND
CARERS**

<https://www.udemy.com/course/help-your-child-to-read-and-write/>

Each half term, we make sure that the children are exposed to interesting vocabulary. For our first half term, the words will be:

Identity	Your identity is who you are! This includes what you look like, your feelings, family and interests that you have.
Unique	You are 'one of a kind'! No-one else is like you.
Characteristics	Characteristics are all of the special qualities which make you, YOU!
Interests	Your interests may include games that you like to play, music that you listen to, stories that you read and places that you like to go to!
Siblings	Your brother or your sister.
Hobbies	An activity that you like to do when you are not at school.

I AM SPECIAL
(sung to Frère Jacques)

I am special, I am special
You can see, you can see
Someone very special,
Someone very special
Yes it's me,
Yes it's me!
