Wednesday 13th November 2024

Dear Parents and Guardians,

I hope this letter finds you well. I am writing to share the results of our recent parent survey and to extend our heartfelt thanks for your continued support and valuable feedback.

We are pleased to report that the survey results were overwhelmingly positive. Many of you expressed satisfaction with the quality of education and the supportive environment we strive to provide. Your feedback highlighted several areas of strength, including our dedicated teaching staff, how much your children feel safe, and the inclusive atmosphere that we foster.

Our top three strengths, as identified by the survey, are:

1. **Safety:** 97% of respondents agreed that their child feels safe at school.
2. **Happiness:** 95% of respondents agreed that their child is happy at school.
3. **Support for Learning:** 95% of respondents feel confident in supporting their child's learning and development at home.

We also received constructive suggestions for improvement, which we are taking very seriously. The three main areas for development are:

4. **Impact of Feedback:** Only 74% of respondents felt that their feedback has an impact.
5. **Trust Benefits:** 68% of respondents are confident that being in a Trust is beneficial.
6. **Role Clarity:** Only 52% of respondents are clear on the role of the Trust.

Your insights are invaluable as we continue to enhance our school offer and services to better meet the needs of our children and their families. Thank you once again for your participation in the survey and for your ongoing support. Together, we can ensure that our school remains a place where every child can thrive.

Warm regards,

L Oakes
