

"Be courageous; be strong. Do everything in love".

Monday 10th March 2025

Dear Parents and Guardians,

I hope this letter finds you well. We are pleased to share with you the results of the recent pupil survey conducted at St Mary's CE Primary School. The survey provided valuable insights into our pupils' experiences. Here are the top three strengths and the key focuses for development.

Strengths:

1. **Respect and Equality:** A significant majority of pupils strongly agree that the school encourages them to respect people from other backgrounds and to treat everyone equally.
2. **Teacher Feedback:** Pupils find their teachers' feedback very helpful for understanding how they can improve their work.
3. **Supportive Environment:** Most pupils feel that adults in the school help them do their best in every or most lessons.

Areas for Development:

1. **Challenging Work:** There is room for improvement in providing work that challenges pupils, as many feel they are only challenged in some lessons.
2. **Representation in Lessons:** Pupils would like to see, hear, or learn about people like them more frequently in their lessons.
3. **Interest in Learning:** While many pupils find what they learn at school interesting, there is a notable portion who only find it interesting sometimes or rarely.

We are committed to addressing these areas for development and continuing to build on our strengths. Your support and feedback are invaluable as we strive to provide the best possible educational experience for our pupils.

Thank you for your continued partnership.

Warm regards,

L Oakes
